KCPL Management Systems

For continuous improvements of Process, services meeting statutory & regulatory requirements & enhance customer delight KCPL adheres to the standards set out by ISO 9001:2008

QUALITY MANAGEMENT

Quality Policy

It is the policy of K.C.P.L to identify customer needs and to ensure “Total Customer Satisfaction “ through sustained endeavor by maintaining quality, delivery schedule and trouble free services .

Quality Objectives

- Maintain control check points for all activities
- Monitoring of the effectiveness of the total quality effort and to identify the areas requiring remedial quality planning and action.
- Encourage a continuing communication with the clients.
- Exchange of quality experiences and recommendations between field and Head Offices/Zonal Offices operations.
- Maintain and motivates quality consciousness among all employees of the company through training programs.
- Ensure necessary environment and infrastructure at all required Levels.

LIST OF EQUIPMENTS & TOOLS AVAILABLE

Earth Equipment

	Quantity
● J.C.B. (Hydraulic earth excavation)	06
● Bulldozer – 08	01
● Tractor	12
● Grader	02
● Vibrator Roller	02
● Water Tanker	04
● Roller 10 tones	01
● Pocklen	01
● Haiwa	08

Transportation Equipments

● Dumper Truck	05
● Tractor Trolley	03
● Crane	01

Concrete Equipments

● READY MIX CONCRETE PLANT	01
● MINI MOBILE BATCHING PLANT	05
● Mixer with hopper	03
● Electric Vibrator	25
● Petrol/Diesel Vibrator	05
● Lifting Machine	05
● Weight batcher	04

Power Generating Equipments

● 125 KVA Diesel Generator	02
● 72 KVA Diesel Generator	01
● 65 KVA Diesel Generator	01
● 7.5 KVA Diesel Generator	02

Shuttering Materials

- Steels Plate with required accessories

Driving Equipment for Radial Driving

- Power Jack 01
- Jack bed 01
- Slider with two jacks 01
- Connecting pipe including clutch 01
- Chain Pulley Block 04

Bituminous Equipments

- Computerized Hot Mix Plant 01
- Manual Hot Mix Plant 01
- Paver Machine 02

Survey Instrument – T.S.

- Theodolite 06
- Level Instrument 08

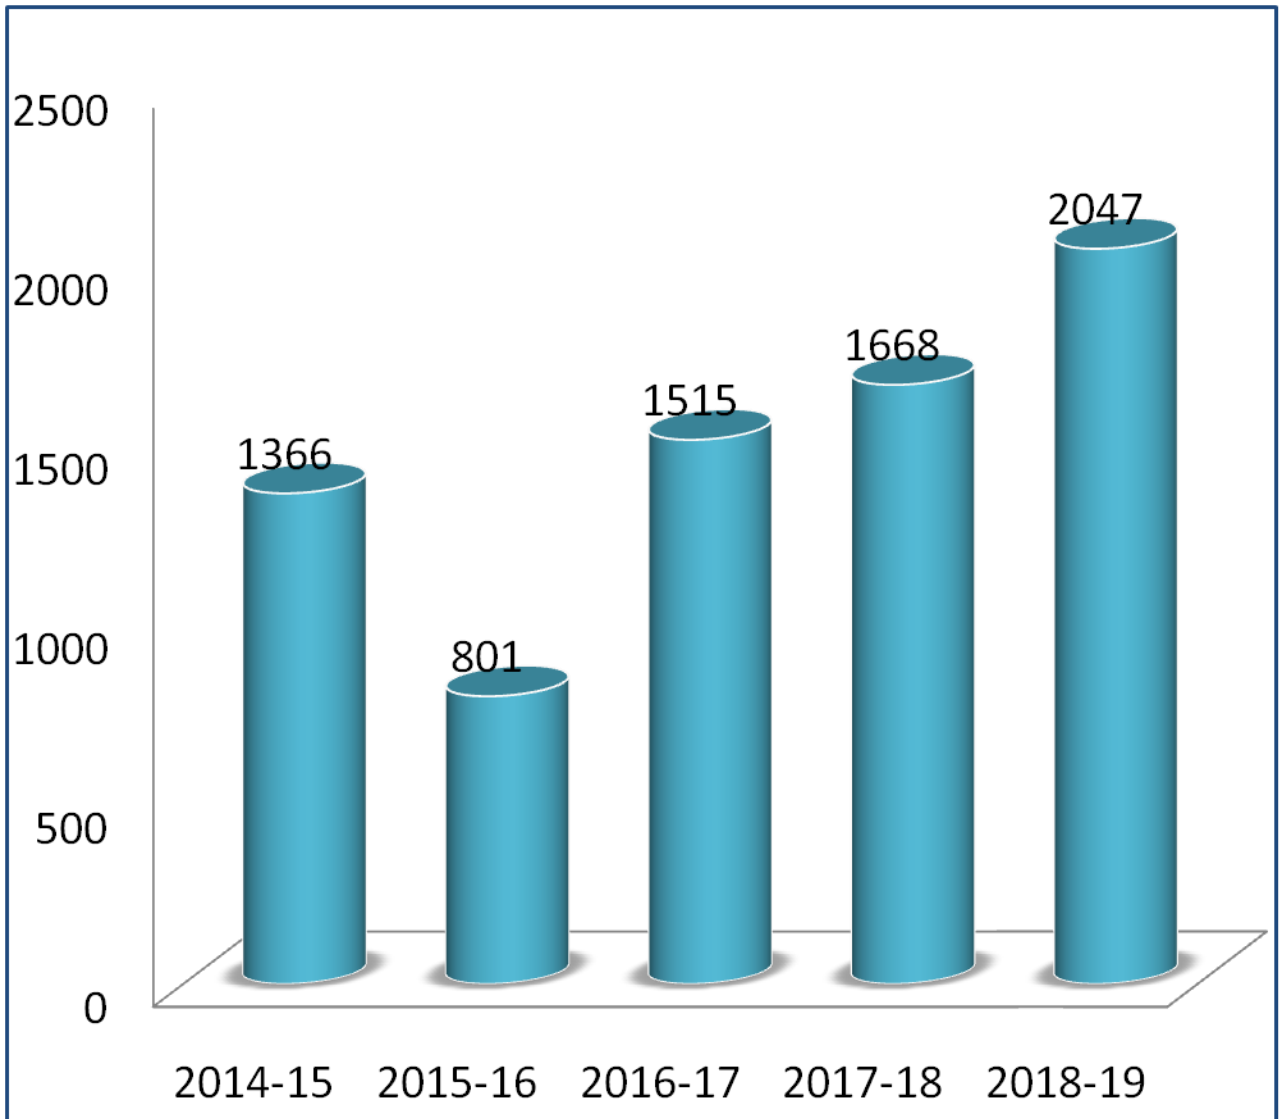

Field Laboratory

- Cube Testing 02
- Soil Investigation 02 Set
- Platform Scale, Pan Balance 01
- Abration testing, Moisture meter 01
- Sheaves & other accessories 04 Set
- Electronic Weighing Machine 02

Workshop

- Welding Machine 40
- Bench Drilling Machine 06
- Air Compressor 08
- Plate Bending Machine 02

In addition to the above our associates have many others equip: required for all civil work, which will be available at site as, per on needs.

Subject: Work Order of Mechanical (Piping) works for BS-VI Project, EIL/IOCL, Mathura.

Dear Sir,

This has reference to subject cited works and discussion with you, we are pleased to place the work order as per below mentioned terms & conditions:

1. **Contract Value:**

The Estimated Contract Value for this work shall be Rs. 22828426/- (Rs. Two Crore Twenty Eight Lac Twenty Eight Thousand Four Hundred Twenty Six Only) as per the rates given in the Annexure - II for carrying out **Mechanical (Piping) works** for EIL/IOCL, Mathura. The prices are including of transportation from owner store to site & any other Govt. levis etc. but excluding the GST Tax as applicable at the time of billings, which shall be paid extra on total value on submission of required documentary evidence. Please note that the quantity mentioned in Annexure-II are tentative.

2. **Time schedule/Contract period.**

Entire work shall be completed within 12 months of time i.e from 01.05.18 to 30.04.19 However; you shall carry out your scope of work as per the program to be mutually agreed between KKSEPL/EIL/IOCL. Any delay attributable to you shall be comes under LD clause subject to 10% max for the delay period.

3. **Payment Terms:**

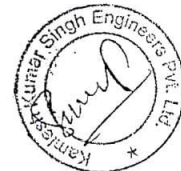

For Joints:

1. 65% on fabrication for welding joints only after NDT.
2. 15% on erection & support welding.
3. 10% on mechanical clearance and hydrotest.
4. 10% flushing & final boxup.

For other works:

1. 75% on erection & welding.
2. 15% on mechanical clearance & hydrotest.
3. 10% on flushing ad final boxup.

05% payment shall be deducted from each RA Bill as security deposit, which will be released after final bill certification and submission of required documents.

Specialist in : Mechanical, Instrumentation, Piping, Structural, Fabrication, Erection, Heat Exchangers, Heaters, Civil Works & Govt Order Suppliers

KARINDA CONSTRUCTION
PVT. LTD.

4. **Escalation.**

- The price mentioned in Annexure- II shall remain firm and shall not be subject to revision due to any reason till the completion of your scope of work.
- The quantum of work mentioned in the Annexure- II is only indicative and you shall get paid as per the actual quantity of work against each item duly certified by Client/PMC of work specified in the scope of work. You shall not be eligible for any other claim which is not certified/ accepted by Client/PMC.

5. **Safety Regulations**

You and your entire employee will follow safety regulation as per the Client's Fire and Safety guidelines given by them or as directed by Client.

- If any injury or loss of the life for your workmen should be settled by you at your cost & risk. No extra payment will be entertained by us.
6. You shall abide by the latest govt. acts/regulations as applicable to your work at your cost and risk. All workmen are to be covered under minimum wages act & all other record as per act/rules shall be maintained & to be submitted duplicate copies of all along with your monthly RA Bills including PF/ESIC Challan etc.
7. All tools, Tackles, Consumables, Manpower etc. required to complete the above job will be in your scope. Crane, power & water will be provided by us free of cost.

8. **Deduction :**

All type of deductions (i.e. Income Tax, etc. as per IOCL Norms) will be deducted from your Bills.

9. Execution of work shall be as per CLIENT/PMC standard and specifications.
10. Gate pass will be in M/s KKSEPL scope (Police verification, medical check-up & other necessary documents will be provided by you).

11. **Workmanship/Termination**

You shall carry out the entire work as per PMC/IOCL's specification & standard applicable for your work. In case of bad workmanship, any rectification/repairs required to be carried out shall be at your cost. Failure to attend to such repair promptly shall be carried out by us at your risk and cost.

We shall be at a liberty to terminate your contract by serving you a maximum of 15 days notice due to:

1. Unsatisfactory progress of work.
2. Bad workmanship.
3. Willful negligence to work
4. Not adhering to safety and quality procedure as per KKSEPL/PMC/IOCL.
5. Violation to any of the provisions of above terms and conditions.

You shall not be eligible for any compensation whatsoever arising out of such termination.

12. All disputes shall be under the jurisdiction of Panipat – Haryana only.

This Work Order along with its enclosures are being issued to you in triplicate, you are requested to return two copied duly signed and stamped as a token of your acceptance.

Thanks & Regards,
For Kamlesh Kumar Singh Engineers Pvt. Ltd.
